NBA 2K20 Demo release date and time latest (Picture: 2K)UPDATE: NBA 2K20 Demo is out now, and The Express has posted download links to PS4 and Xbox One gamers below: PS4 DEMOXBOX LIVE DEMOORIGINAL: The release date for the NBA 2K20 demo has arrived and will be available for download on PS4, Xbox One and Nintendo Switch this week. 2K have confirmed that they will launch the special trial of their latest game tomorrow, August 21.Unlike previous years, this new demo is not called The Prelude, so just searching your online store for the new NBA 2K20 Demo should work. And fans will also want to know what kind of time they will be able to download it at the PS Store, Microsoft Store, and Nintendo eShop. According to the latest information from 2K, the demo will go live at around 8pm, PST. But an earlier message from 2K confirmed that the demo would go live at 8pm in the UK too. So there is a good chance that it will go live at the same time in different regions. Otherwise, British players will wait until around 6pm to get their hands on the new NBA 2K20 experience. The new NBA 2K20 Demo goes live for 24 hours Set your messages to tomorrow at 8am PT, a new message from 2K reader. The good news is that this will be a free download on PS4, Xbox One and Nintendo Switch, and will include a selection of different features to try out. The bad news is that there will be no demo to play on Steam or other PC platforms hosting the game after launch.2K has confirmed a list of activities that will be available in the new NBA 2K20 demo, including early access to MyCAREER Mode.Fans will also be pleased to hear that any progress while playing NBA 2K20 Demo will go over to the full version when it launches in September. NBA 2K revealed that starting on August 21 at 08:01 BST, fans can get an early start on their MyCAREER while testing out the new MyPLAYER builder and hitting the court two weeks before the game's launch by downloading the NBA 2K20 Demo, a message from 2K explains. In the NBA 2K20 Demo, users can try out multiple MyPLAYER configurations to create the player that best suits their playstyle, and best of all, when you spend that time customizing and figuring out what works best for you, you don't lose that progress. Instead, your demo selections can be transferred to the full game. The NBA 2K20 demo will be available exclusively on Xbox One, PS4 and Switch. We recently found more about the new MyCAREER Mode and how it will run on all platforms. This year's tale includes the story of an NBA prospect named Che on his quest for gold both on and off the court, covering the importance of mentors dealing with off-court pressures and current social issues, a message from 2K explains. In this game setting, the path to stardom is firmly in gamers hands. The cinematic tale was directed by up-and-coming visionary Sheldon Candis, and features a starring herunder Idris Elba, Rosario Rosario and NBA all-stars past and present. This is the most visually stunning MyCAREER cinematic experience to date and brings the journey to life in a whole new and immersive way. All editions of NBA 2K20 will be released worldwide on 6. 2K Sports Here is when you can download the NBA 2K20 demo. To help guide us into the launch of NBA 2K20, a demo is being dropped that will give players an early look at the game and a good idea of what to expect. 2K says this doesn't replace the usual Prelude, but with it nowhere in sight, it's looking like the demo is currently your best chance to check out 2K early. The demo will let players get an early start on their MyPlayer, which will then be able to carry into the full release. This demo is available on PS4, Xbox One and Nintendo Switch, which means that PC players are left out in the cold for this one. When can you download nba 2K20 Demo? According to Ronnie 2K, the demo will go live around the world ar 11 a.m. EST/8 a.m. PST on August 21, which means that all will get to start at the same time. You don't have to pre-order anything as the demo is free. Remember this is just a demo, so if you expect to try out every single thing 2K20 has to offer, you'll be out of luck. Instead, this will be a good opportunity to check out some of the major gameplay changes that have been made from 2K19. Most importantly, it's a way to try out your different MyPlayer builds so you know exactly what you like heading into the full release, and so you don't waste time building one when the game launches. Yes, you will be able to start afresh in the full game, but doing so would pretty much waste the purpose of this demo, so make sure you know exactly what build you're going for beforehand. Everyone knows if you don't immediately get to grinding in MyPlayer mode, you'll be left in a flash. NBA 2K20 launches September 6 for PS4, Xbox One, Nintendo Switch and PC.
